## ABOUT THE BOOK

Number Talks 1. A five- to fifteen-minute classroom conversation around purposefully crafted problems that are solved mentally.2. The best part of a teacher's day. This dynamic multimedia resource was created in response to the requests of teachers—those who want to implement number talks but are unsure of how to begin and those with experience who want more guidance in crafting purposeful problems. It supports teachers in understanding: • what a classroom number talk is; • how to follow students' thinking and pose the right questions to build understanding; • how to prepare for and design purposeful number talks; and • how to develop fractional reasoning and strategies for operating with fractions, decimals, and percentages. Number Talks supports the Common Core State Standards for Mathematics. Video Clips The online video clips provide a visual platform for teachers to reflect on [Read more](#)
