ABOUT THE BOOK

ABNORMAL PSYCHOLOGY: AN INTEGRATIVE APPROACH, Eighth Edition, is the perfect text to help you succeed in your abnormal psychology course! The authors -- all internationally recognized experts in the field -- show you how psychological disorders are rooted in multiple factors: biological, psychological, cultural, social, familial, and even political. You can test your understanding of topics with the text's built-in concept checks and chapter quizzes. For extra support or for an online experience in the course, MindTap includes readings, assignments, quizzes, and videos that offer you a tailored presentation of course curriculum created by your instructor. MindTap's appealing apps include note taking, highlighting, and a text-to-speech tool that reads the text out loud. [Read more](#)
