ABOUT THE BOOK

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134290208. This balanced, comprehensive view of the entire field of curriculum encourages readers to consider choices and formulate their own views on curriculum foundations, principles, and issues. Rather than focusing on either theory or practice, or advancing a particular political or social position, or approaching the field of curriculum as an administrative challenge, this book gives readers the information they need to develop their own opinions on curriculum today as well as their outlooks for the future. Curriculum: Foundations, Principles, and Issues covers the latest topics in education that impact the curriculum and features Learning Outcomes, Discussion Questions, and Curriculum Tips to enhance [Read more](#)
