## ABOUT THE BOOK

Thank you!!! For all of us here at Private Prep, thank you so much for all of the support and purchases of this book. We have more goals in mind for 2016-17 and are very excited to share with you all the best materials for test prep. For science! -Michael The ACT science section requires students to utilize the basic principles of applied science. In this fun and easy-to-read book, test prep guru Michael Cerro walks readers through the key pillars of the scientific method: hypothesis analysis, experimentation, data collection, numerical and graphic data analysis, and conclusion-drawing. Michael uses his background as a chemical engineer, chess player, and expert tutor with years of test prep experience to write a book that offers a new approach to the ACT Science section, one rooted in logic above all else. His book offers tons of opportunities to practice each strategy with [Read more](#)
