ABOUT THE BOOK

The best way to prepare for any exam is to practice, but only if the practice questions are worthwhile. You don't want to waste time - and money! - retaking an exam. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the HESI A2 test but realize too late when they get their score back that they were not ready at all. There are a variety of methods to prepare for the HESI A2 test...and they get a variety of results. Losing points on the HESI A2 exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? It's like real-time study guide as you practice to help lock in the necessary information. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything [Read more](#)
