ABOUT THE BOOK

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab &Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab &Mastering products. For courses in Human Physiology Don't just study—visualize, explore and solve problems in human physiology with Principles of Human Physiology! Principles of Human Physiology, Sixth Edition uses a precise and clear-cut writing style [Read more](#)
