## ABOUT THE BOOK

This innovative entrant into the foundations of counseling market meets the current generation of counseling students in the way they learn best—through meaningful pedagogical features and research-based content. Through its distinctive features, this text provides opportunities for students to reflect on what they are learning and explore independently through this process of reflection. The authors believe in the development of practitioners who learn through examining controversy, staying abreast of current research, and challenging their own thinking. Such practices will provide students with tools that will ultimately help them develop their professional identities.
