## ABOUT THE BOOK

DISCOVERING BEHAVIORAL NEUROSCIENCE: AN INTRODUCTION TO BIOLOGICAL PSYCHOLOGY, 3rd Edition is written to appeal to a broad range of readers interested in a college-level introduction to biological or physiological psychology. Whether readers have a strong science background or are novices who feel intimidated at the prospect of the subject matter, this book's clear writing, high-interest examples, learning aids, and numerous illustrations will keep them interested and engaged. The book includes classic concepts, current topics, and cutting-edge research to provide readers with a foundational understanding of the structure and function of the nervous system and its relationship to both typical and disordered human behavior.
