ABOUT THE BOOK

Infants, Toddlers, and Caregivers is an ideal introduction to care and education in the first three years of life, featuring a respectful approach inspired by field pioneers Magda Gerber and Dr. Emmi Pikler. The program provides practical information based on theoretical and research foundations that students can implement in a variety of infant and toddler settings. With the impacts of school readiness and technology in early childhood education today, this program focuses on the value of free play, the development of self-reliance, and the importance of responsive, respectful interactions. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based learning service accessible online through [Read more](#)
