## ABOUT THE BOOK

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab™ or Mastering™, several versions may exist for each title — including customized versions for individual schools — and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. For courses in Math for Future Elementary Teachers. Empowering Tomorrow's Math Teachers Mathematics for Future Elementary Teachers , 5 th Edition connects the foundations of teaching elementary math and the [Read more](#)
