ABOUT THE BOOK

With hit books that support strategic reading through conferring, small groups, and assessment, Jen Serravallo gets emails almost daily asking, "Isn't there a book of the strategies themselves?" Now there is. "Strategies make the often invisible work of reading actionable and visible," Jen writes. In *The Reading Strategies Book*, she collects 300 strategies to share with readers in support of thirteen goals—everything from fluency to literary analysis. Each strategy is cross-linked to skills, genres, and Fountas & Pinnell reading levels to give you just-right teaching, just in time. With Jen's help you'll: develop goals for every reader; give students step-by-step strategies for skilled reading; guide readers with prompts aligned to the strategies; adjust instruction to meet individual needs; with Jen's Teaching Tips; craft demonstrations and explanations; with her Lesson Language.
