On April 20, 1999, two boys went to their high school with bombs and guns. Their goal was to leave "a lasting impression on the world." The horror they inflicted left an indelible stamp on the American psyche. Now in this definitive account, Dave Cullen presents a compelling and utterly human profile of teenage killers. With a keen investigative eye and psychological acumen, he draws on hundreds of interviews, thousands of pages of police files, FBI psychologists, and the boys tapes and diaries. This close-up portrait of violence, a community rendered helpless, and police blunders and [Read more](#)
