ABOUT THE BOOK

Based on the viral essay *This Is Not a Daycare, It's a University*, this is Dr. Everett Piper's impassioned defense of the free exchange of ideas in our higher-learning institutions. American colleges used to be bastions of free speech. Now they're bastions of speech codes. Students used to demand truth. Now they demand trigger warnings. Professors used to encourage critical thinking. Now they encourage conformity. Make no mistake: this is the state of education in the United States of America, once the world's last best champion of classical liberalism. In *Not a Day Care*, Dr. Everett Piper, president of Oklahoma Wesleyan University, takes a hard look at what's happening at American universities like the University of Missouri, Yale, Brandeis, Oberlin, and others. How do we prevent all places of higher learning from becoming politically correct safe spaces? Dr. Piper takes a courageous [Read more](#)
